OF THE PLAGUE COMMISSIONER
Rt. No. 9274
31 MAR 29 1900

The Plague Commissioner
in Mysore
Bangalore

Sir,

I have the honor to report that in October 1898, the then Superintendent of plague camps in the Bangalore City, requested the Amildar of the Bangalore Taluk to take steps to acquire survey No. 8 measuring 5 acres 6 guntas assessed at Rs. 6 in the village of Hanumantapur in the Bangalore Taluk for the purpose of erecting sheds for the use of servants. As the requisition of the camp-Superintendent was urgent the land was taken possession of, and a compensation of Rs. 3065-5-11 was

assessed for the land and the trees and wells thereon In April 1899 the Chief Plague Officer intimated to the President of the City Municipal Commission that the land in question was very uneven and consequently unfit for the purpose of a camp and therefore need not be acquired In June 1899 Kesavinga Deputy Amildar on special duty gave notice to Mr D ShamaRao the owner of the land that as it was not wanted for the purpose of the camp he might take it back and arrange to cultivate it as usual The Senior Surgeon and Sanitary Commissioner who was consulted in the matter while agreeing with the Chief Plague Officer in thinking that the acquisition was unnecessary, admitted that Mr. ShamaRao was put to considerable inconvenience and heavy loss and that therefore he should

be liberally compensated. A compensation of Rs. 500-4-0 has now been fixed for the loss of crops sustained by the gentleman during the occupation of the land by the plague authorities. But Mr. Shama Rao complains that the compensation now offered is too inadequate and states that nothing short of the acquisition of the land, as originally intended by the plague authorities, would meet the ends of the case. He further estimates his own loss at Rs. 1500/-. Under these circumstances, I have the honor to submit the file of correspondence ending with the 2nd General Assistant Commissioner's yadi No. 566 dated 12th instant, and to solicit orders as to whether the land is to be acquired, as desired by Mr. Shama Rao, or compensation paid, as suggested by the Chief Plague Officer.

I have the honor to be
Sir
Your most obedient servant

Dy. Commissioner,
Bangalore District.

Sir,

With reference to your docket No. 7768 dated 30th April 900, regarding the amount of compensation payable to Mr. D. Shama Rao for the temporary use of his garden for the erection of sheds for camp servants, I have the honor to state that I inspected the garden on the morning of the 17th instant, and settled the compensation to be paid for the several items. It aggregates in total of Rs 1169-12 — The compensation may appear to be heavy, but the garden has suffered very much, and I am satisfied that the amount that I propose
